Executive Summary

Summary of Requests

1. List ALL Requests at hand (List only)

i. Unsecured Loan - Non revolving Kes 2.5M for 36 Months

2. Purpose of Request / Rationale for Limit Structure

i. What did the client tell you during the visit? (Give evidence of the need)

The client has approached us for financing working capital of Kes. 2.5M for 36 months. The proceeds of the loan will be used for working capital to meet the growing business demand and complete the ongoing projects. The number of clients has been on the rise and hence the need to expand its reach. The rise in demand has been necessitated by opening of the market.

The loan will be repaid from the client's business which has monthly sales averaging at Kes. 2,234,960. The loan will be repaid in 36 monthly instalments of Kes.95,114, this will be deducted directly from the client's current account.

KEAM CONSTRUCTION & INTERIOR DESIGN LTD BUDGET

DESCRIPTION	AMOUNT
GYPSUM CEILINGS	178,000.00
COMMERCIAL OFFICE FIT OUTS	400,000.00
WARDROBES	180,000.00
MARKETING	45,000.00
TOOLS AND SAMPLES	100,000.00
BALLAST	177,000.00
CEMENT AND SAND	640,000.00
CERAMIC TILES	265,000.00
DIRECT LABOUR(WAGES)	800,000.00
SALARIES AND EXPENSES	1,068,353.00
TOTALS	3,853,353.00

ii. What is the amount? (Provide evidence/ Proof)

Kes 2.5M

iii. How will the facility be drawn/availed to the customer?

The loan will be disbursed directly to the clients' account against budget/invoices

Justification:

This is because the client purchases from various suppliers across different material categories including cement, tiles, ballast, steel etc. This will enable the client to have timely execution of projects activities and facilitate on-ground implementation on time, coordinated procurement and switching supplier for a different product quality in the market. The customer fully banks with NCBA hence we get 80% share of wallet. The loan repayment will start 30 days after the booking date.
